Birstall Mast - Affecting Rural Areas [Bawdon Lodge, Charley, Ridge Farm, New Parks]

2020-03-12 - Support Agent - Comments (0) - General

Temporary fix due to bad wind damage yesterday to our gigabit link has worsened today with further wind damage. All customers are now on the 100Mbps links and engineers will be attending site this morning. Health and safety will be assessed on access via cherry picker and repairs may cause disruption.

Regards

Networks Team
