Birstall Mast /Troon Industrial Estate - Outage - 25/06/24

2024-06-25 - Support - Comments (0) - General

Dear Customers

There is currently an outage affecting customers at Troon Industrial estate and affecting customers at Birstall . We believe this to be a power issue at the mast affecting the main link radio's for these areas. We are working to try and get this resolved as quickly as possible. We apologise for the inconvenience caused.

Kind Regards
