Cradle Maintenance St Georges Tower - 7th Novemeber 2023

2023-10-25 - Support - Comments (0) - General

Dear Customers

On the 7th Novemeber 2023 there will be cradle maintenance at St George's Tower meaning that some connections will be disturbed by drop outs and slower speeds whilst work is carried out. We apologise for the inconvenience this work is out of our control unfortunately.

Kind Regards
