Faulty Radio - Ridgefarm Main Link - 03/03/22

2022-03-03 - Support - Comments (0) - General

Dear Customers

We have noticed that there is a faulty radio hosting the main link to customers in the ridge farm area. The engineers are working to get this back up and running properly which will mean you may experience a few network outages whilst work is being carried out. Sorry for any inconvenience caused.

Kind Regards

Gigabair Support
