Dear Customers,

The main radio at rearsby and ST georges Park Mast has blow due to severe weather damage. The engineers are reviewing the situation and are aiming to install a new main radio next friday (27/10/2023). This will mean slow speeds are invetiable until this can be fixed unfortunately as there will be a wait for stock to come in. The areas affected by this are Rearsby, Thorpe Satchville, St Gorge's Park, Six Hills, Gaddesby and the surrounding area. We apologise for the inconvenience and will update you further if there are any changes.

Kind Regards
