Network Disruptions - Power Supply works 25/06/25

2025-06-25 - Support - Comments (0) - Outage

Dear Customers,

We are informing you that you will experience some issues with your connection around 2pm today as there is scheduled works taking place in regards to power in the area. Unfortunately this is work that is put of our hands and is not down to us. We have informed you as soon as possible and we apologise for the interruption this may cause.

Kind Regards

XPON Support
