Network Disruptions - Power Supply works - UPDATE 26/06/25

2025-06-26 - Support - Comments (0) - Outage

Dear Customers,

We are informing you that you will experience some issues with your connection around 10AM today as there is scheduled works taking place in regards to power in the area. Unfortunately this work was supposed to have been done yesterday but has been pushed back to this morning. Again this work is out of our hands and we apologise for the inconvenience caused.

Kind Regards

XPON Support
