Network Outage Due to Severe Weather Conditions - Six Hills, East Goscote, Syston - 29/08/23

2023-08-29 - Support - Comments (0) - General

Dear Customers,

Due to the current heavy rainfall that we are experiencing the network connection for Six hills, East Goscote and Syston have been affected causing outages in these area's. We apologise for the inconvenience this has caused and we hope to have this resolved as quickly as possible.

Kind Regards

XPON Support
