Network outage St georges Tower, Birstall, Bradgate, East Gostcote, Troon Industrial Estate

2023-02-07 - Support - Comments (0) - General

Dear Customers

There has been a major outage affecting a large portion of the network we are currently investigating the outage to find the cause. The network is currently back online after a 3 minute outage. We apologise for the inconvenience caused and will update you further.

Kind Regards

Gigabair Support
