Network Outage - Troon Industrial Estate - Speed Upgrade 23/04/2021

2021-04-23 - Support - Comments (0) - General

Dear Customers

There will be a planned network outage at Troon Industrial estate between 4 - 4:45pm lasting around 5-10 minutes due to an essential speed upgrade.

Sorry for any inconvenience this may cause.

Kind Regards

Gigabair Support
