Network Outages - Due to Power Issues in Syston - 15/06/23

2023-06-15 - Support - Comments (0) - General

Dear Customers

We are currently experiencing power issues in Syston this is unfortunately affecting our main office and many of the links from Syston. We apologise if you are currently experiencing any issues with your network connection. We are waiting to find the cause of the power cuts in Syston as we believe it may be works due to western power. We appreciate your patience at this time.

Kind Regards

XPON Support
