Dear customers

There is currently a network outage affecting everyone in the Six Hills, Gaddesby, Rearsby, Queniborough areas. This is down to a power issue causing one of the servers to stop working. Our engineers are working to get this resolved and are on site trying to replace the faulty equipment and sort out the power issues. We hope they will get this fixed as soon as possible and we apologise for the inconvenience this has caused.

Kind Regards
