Power Outage - Western Power - East Goscote, Rearsby, Six Hills. 17/03/23

2023-03-17 - Support - [Comments \(0\)](#) - [General](#)

Dear Customers

Western Power are conducting more works which unfortunately has caused a network outage for East Goscote, Reasby, and Six Hills. Unfortunately we do not have a say in this work being conducted but we have been told the outage should last between 10-20 minutes.

Kind Regards
