Power Outage Affecting Birstall 11/01/22

2022-01-11 - Support - Comments (0) - General

Dear Customers

Some of you may have experienced a short network outage at 1pm today this is due to a suspected power outage. The service is back up and running however we will keep an eye on the network throughout the day and notify you if there is any more interruptions.

Kind Regards

Gigabair Support
