Rearsby, Sixhills, Queniborough - Outage - Power 09/06/25

2025-06-09 - Support - Comments (0) - Outage

Dear Customers,

Our engineers are currently working at Rearsby business park and need to make some adjustments to power at the site. This will mean there will be a small outage for 10 minutes whilst these adjustments are done and will affect those at Rearsby, Sixhills and Queniborough.

Kind Regards

XPON Support
