Ridge Farm Mast Outage - 10/11/2022

2022-11-10 - Support - Comments (0) - General

Dear Customers

There is currently an outage at the Ridge Farm Mast affecting customers in the local area. The Engineers are trying to get the power back up and running however there is currently an unknown vehicle blocking the entrance to the mast. The power will be reinstated as soon as possible when the engineers can gain access. We apologise for the inconvenience this has caused.

Kind Regards
