Ridgefarm Broadband Outage - 11/11/2019

2019-11-11 - Support - Comments (0) - Network Outages

Dear Customers,

This morning customers at Ridgefarm area will be experiencing a network outage. This is due to a power issue at the mast, we currently have engineers carrying out work and are aiming to get everything back up and running in the next 30 minutes. We apologise for the inconvenience caused by this network outage and aimed to have it resolved as quickly as possible.

Kind Regards

Gigabair Support
