SDI Network Outage Due 20/11/22

2022-11-14 - Support - Comments (0) - General

Dear Customers

There is a planned outage at the SDI mast affecting customers in the local area due to works on power Sunday the 20th November. The outage is going to start at 7am and is scheduled to last 4 hours ending around 11am . We apologise for the inconvenience this is may cause you.

Kind Regards

Gigabair Support
