Severe Weather Affecting Links At Eascote and St Goegre's Park Mast - 13/10/23

2023-10-13 - Support - [Comments \(0\)](#) - [General](#)

Dear Customers

You may be experiencing outages with your broadband service this is due to the severe weather inferring with the main radio at the Eazst Goscite and St Georges Park Mast. The connections afftected will be Six Hills, East Goscote, Thorpe Satchville, Reasrsby areas and will be sporadic until the severity of the rain has decreased. We appreciate your patience at this time.

Kind Regards

XPON Support
