Severe weather conditions effecting main office reopening

2025-01-06 - Support Agent - Comments (0) - General

6.1.25

Due to severe flooding at our office we are encountering delays in re-opening this morning.

If you are struggling to reach anyone via our main number please use 0116 507 5922.

Please note - as we are moving premises there will be limited support this week and your support tickets may encounter delays.

Thank you for your patience

Xpon Wireless Team
