St Georges Park - Cable Fault - Main Radio 08/10/2021

2021-10-08 - Support - Comments (0) - General

Dear Customers

Our engineers have found a cable fault on the main radio for the St Georges Park - Reasby network. The enbngineers are working to get this resolved but this will affect you service whjilst this work is taking place. We will update you when this has been resolved.

Kind Regards

Gigabair Support
