St Georges Tower - Main Switch - Network Outages 07/03/2022

2022-03-07 - Support - Comments (0) - General

Dear Customers

We are currently experiencing technical difficulties with the main switch at St Georges Tower, there will be multiple network outages whilst this work is being carried to resolve the issue. We apologise for any inconvenience this may cause and aim to get this resolves as soon as possible.

Kind Regards

Gigabair Support
