## ST Georges Tower Outage - Engineer Arrival Time - 08/10/24

2024-10-08 - Support - Comments (0) - Outage

Dear customers

Our engineers are due to attend site around 12:30PM with the connections going live around 1PM I believe this to be due to power. Also please refrain from contacting engineers directly as they cannot answer calls whilst driving and undertaking busy work. Please use the tivket system and upload a ticket here: <https://xpon.deskpro.com/new-ticket>

Kind Regards

XPON Wireless
