St Georges Tower - Power Reboot - 07/03/2022

2022-03-07 - Support - Comments (0) - General

Dear Customers

We are informing you of a network outage that will affect you this morning, this is due to a reboot of power at St Georges Tower affecting most customers in and around the area. We expect the outage to last 10 minutes at most. We apologise for any inconvenience this may cause.

Kind Regards

Gigabair Support
