St Georges Tower - Sechduled Outage

2019-12-04 - Support - Comments (0) - Network Outages

Dear Customers,

This sunday (8th december) there was be a power cut at St Gerorges Tower between the hours of 2:30am -5:30 am, this will result in a lose of internet connectivty for customer connected via the St Gerogoes tower (Leicester City Centre, Narborough Wood Park, Narborough, Ridge Farm) . We will have engineer's on standby to get anyones connection back up and running if they remain offline once the power has been turned back on. We apologise for the inconvenience this may cause but this power outage is out of our hands.

Kind Regards

Gigabair Support Team
