Swithland Network Outage - Power Issue - 07/12/23

2023-12-07 - Support - Comments (0) - General

Dear Customers,

There is currently a power issue at the mast supplying the network to the Swithland area. Electrical engineers are on site trying to resolve this issue as soon as possible. We appreciate your patience at this time and hope to get this back up and running as soon as possible.

Kind Regards
