Tilton/Coplow Network Outage - 03/03/2022

2022-03-03 - Support - Comments (0) - General

Dear Customers

We have noticed that the main link to Tilton has gone offline affecting Coplow as well. we have engineers on their way to find out the cause of the outage. We will update you once we know the cause. Apologies for the inconvenience this has caused.

Kind Regards

Gigabair Support
