Tilton/ Six hills Network Outage - Power - 12/09/22

2022-09-12 - Support - Comments (0) - General

Dear Customers

Some of you in the Tilton, Six hills Area's will have been affected by the curent network outage. This is due to the rain affecting the power at the mast affecting those links. We have engineers on site currently working to get this back up and running. We apologise for any inconvenience this has caused.

kind Regards
