Troon /Birstall Network Outage 07/10/21

2021-10-07 - Support - Comments (0) - General

Dear Customers

We are currently experiencing a network outage affect all Troon/ Birstall customers, we currently have engineers on site fault finding and will aim to get the service back up and running as soon as possible. We apologise for any inconvenience this has caused.

Kind Regards

Gigabair Support
