Troon Industrial Estate Mast - Radio Swap - 19/04/24

2024-04-19 - Support - Comments (0) - General

Dear Customers,

Our engineers are about to conduct work on Troon Industrial Estate mast with the switch over of the radios. There will be an outage lasting 5 - 10 minutes and at worst could be 30 minutes. We appreciate your patience and understanding whilst this necessary work is carried out.

Kind Regards
