Troon Mast Outage - 31/10/2023

2023-10-31 - Support - Comments (0) - General

Dear Customers

There is currently an outage at Troon industrial estate mast, the main link has gone down and our engineers are on site trying to resolve the issue as quickly as possible. Please refrain from contacting the engineers directly as they are working at height and cannot be answering phone calls. We apologise for the inconvenience cause and hope to get this resolved as soon as possible.

Kind Regards

XPON Support
