UPDATE - Narborough Wood Park - Network Outage - 12/03/25

2025-03-12 - Support - Comments (0) - General

Dear Customers,

As you are aware there has been a network outage affecting Narborough Wood Park, after sending our engineers out on site we have ascertained that there was a power outage last night causing both the main radio and back up radio at the park to blow. This means our engineers are having to replace these radios and will be collecting them this afternoon. We are looking to install the new radios tomorrow morning subject to the landlord agreeing for the work to go ahead. We apologise for the inconvenience this has caused and appreciate your patience whilst this work is being carried out.

Kind Regards
