Weather Disruptions - STORM JOCELYN 23/01/24

2024-01-23 - Support - Comments (0) - General

Dear Customers,

You may experience disruptions to your network connection with some minor drop outs or slower speeds than usual. This is due to the weather conditions by storm Jocelyn, we will do our best to keep the network as stable as possible and keep monitoring the the main links.

Kind Regards

XPON Support
