XPON Office Outage - Power line Upgrade - 28/04/25

2025-04-28 - Support - Comments (0) - Outage

Dear Customers,

We have been informed that there is going to be power line upgrades near our main office. This is going to cause a power outage at our office for 2 hours between 1-3pm. This outage will likely affect customers in the surrounding areas due to the main links at Troon industrial Estate mast. We apologise for the inconvenience this may cause however this is work that is out of our hands.

Kind Regards

XPON Support
