XPON Office - Outage - Power works

2025-08-20 - Support - [Comments \(0\)](#) - [Outage](#)

Dear Customers,

You may experience some network outages or disruptions over the next hour this is due to the XPON office have new power installed. We have sourced a temporary power source but please be aware that as the swap over occurs your service will be disrupted. This should only last for an hour, however you will not be able to get through to the office during this time so please do use the ticket system.

Kind Regards

XPON Support
