XPON WIRELESS - Outlook Email Outage - 25/11/24

2024-11-25 - Support - Comments (0) - Outage

Dear Customers

We are writing to inform those of you who use Outlook email that there is currently an outage affecting this service. This is an issue with microsoft and they are aware of the issue and are investigating it. So if you do have issues accessing your emails please be aware the issue is with Microsoft and not your internet connection. I have attached the following news article :

<https://www.dailymail.co.uk/sciencetech/article-14122671/Microsoft-365-outage-emails-Outlook.html>

Kind Regards

XPON Support
