Yellow Weather Warning - Broadband Disruption 02/09/24

2024-09-02 - Support - Comments (0) - General

Dear Customers,

This is a notice to let you know we have been issues with a Yellow weather warning meaning there will be disruptions to the network due to the high winds. We will do everything we can to try and maintain a stable service but please be aware some outages may occur.

Kind Regards

XPON Support
